

Prabin Chaudhary

Engineer | Software Developer

I am a computer engineer and an enthusiast who adores nearly everything identified with innovation. I have prepared myself as an ideal student and a professional. Working as a software developer and an engineer, I have taken in a great deal about the patterns and upgraded my demonstrable skills.

I am always curious about things and enjoy learning. I like to solve problems and fix errors. I am a detailed oriented person and I keep my goals and tasks organized to maintain productivity.

I believe that the skills that I have attained from dynamic environment and competitive university life define me and I am looking forward to implementing and polishing them in any opportunity that I receive.
